- There was no Rotateller last week, as we enjoyed a wonderful dinner at the SCCC without a program. Thank you Peter Parker for all the arrangements.

## Lindsay Armbruster and Melissa Bianco - 8th Grade Community Service Day

This is the 20th anniversary of the Richard O'Rourke School 8th Grade Service Day. The theme is: Have you filled your bucket today? With a guide to daily happiness for kids through helping others and being mindful of their actions.

This year, 247 8th graders, 58 faculty and parent chaperones took part and spent 610 hours.

Lindsay and Melissa showed pictures of the students at Day Haven Adult Day Services, The YMCA Children's Center, Maplewood Manor, Animal Protective Foundation, Town of Ballston Library and Historian, Greater Glenville YMCA Montessori School, Clover Patch New Meadow Disabilities, Habitat for Humanity and others.

The concluding lesson was: Are your buckets full? How did you fill other's buckets.

There was then a culminating Celebration for 20 years!

Lindsay and Melissa thanked our Rotary Chapter for our support
